

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 20, 2003

It has recently come to my attention that the California Highway Patrol is having difficulty enforcing traffic regulations on a number of streets in the unincorporated area of the Santa Clarita Valley. This problem has arisen due to the fact that the County has been unable to accept these streets for maintenance due to remaining roadwork.

While it is important to ensure that developers complete all road improvements before the County accepts maintenance and liability, it is also vital that our law enforcement agencies be able to enforce traffic regulations.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works, in conjunction with County Counsel, to report back to the Board in 30 days with a plan that allows the California Highway Patrol to lawfully enforce traffic regulations on streets in the unincorporated area of the Santa Clarita Valley that have not yet been accepted for maintenance by the County.
